READ INFORMATION BELOW CAREFULLY CONTRACT OF MUTUAL RESPONSIBILITY

In the capacity of team captain and on behalf of the team members, I hereby enter the team named on this form into the Idaho State USBC Association (ID State USBC) tournament described herein. It is agreed that all entrants whose names appear thereon or their authorized substitutes will abide by the tournament participation rules and regulations. It is also agreed that ID State USBC, its officers or agents shall be liable only to the extent of returning entry fees if, and when, this team shall be prevented from bowling in this tournament through delay, unexpected, yet necessary schedule change, or premature termination of the tournament, all brought about by fire, strikes, lockouts, labor difficulties, or other causes beyond the control of the ID State USBC.

All entries into this tournament must be made in accordance with USBC rules.

1. Entrants into this tournament must be current ID State USBC members. Membership may be purchased at the tournament site.
 2. Unmarried grade or high school students who have not reached the age of 18 must have the written consent of their parents or guardians in accordance with USBC rules.
 3. No entry money will be refunded if it is discovered that a team or individual has failed to comply with all USBC eligibility requirements.
 4. Entrants may bowl on multiple teams provided no more than two (2) of the original team members bowl together on an additional team. **THE FIRST TEAM SCORE BOWLED SHALL BE THE ALL EVENTS SCORE. BOWLERS MAY BOWL SINGLES AND DOUBLES ONLY ONCE AND MUST BOWL BOTH EVENTS.** Out of town participants shall be given squad time preference.
 5. All entries postmarked the first Post Office business day after the closing date shall be accepted. **The Early Bird entries postmarked by midnight February 20, 2018 will be eligible for the \$1000 added money team jackpot.**
 6. Handicap in each event will be based on 80% of the difference between each bowler's average (as determined below), and the tournament scratch basis score of 240 pins. Handicaps for the four-bowler team event will be computed by adding the handicaps of the four bowlers. Handicaps for the doubles event shall be computed by adding the handicaps of the two bowlers.
 7. The highest league certified average of 21 or more games in the 2016-2017 season must be used. If no 2016-2017 average is available, the highest current average of 21 or more games as of 12:01 a.m., January 1, 2018 must be used. If the January 1, 2018 average is 10 or more pins higher than the bowler's 2016-2017 average, then the bowler must use the January 1, 2018 average. If the entrant does not have a 21- game average by January 1, 2018 but does have 21 games by the closing date, the Tournament Director has the option to use that average. If none of those conditions apply, then the bowler must bowl scratch, Entrant shall bowl with the same hand used to establish entering average.
 8. It shall be each bowler's responsibility to verify the accuracy of their average, whether originally submitted by the bowler, the bowler's team captain, or others. Failure to use the proper average or make corrections prior to completion of the first game of a series shall disqualify the bowler's score if submitted average is lower than the actual average. If submitted average is higher, prize winnings will be based on the submitted average. See USBC rule 319a.
 - 9a. Any bowler whose average has been rerated must use their rerated average in the tournament and report information per USBC rule 319c. The average of any entrant in this tournament is subject to rerating if any of the following has happened during the 12 months immediately preceding the tournament.
 - 9b." As per USBC Rule 319d": Reporting Prior Prize Winnings
 1. Within the last 12-month period, anyone who has qualified for a cash and/or merchandise prize in the position standings prize list in a tournament, including all-events, special features, special prizes and donated prizes, must give tournament management the following information prior to participation for possible average adjustment:
 - a. The name of each tournament in which they have been paid the following prizes, or if not yet paid, in which they have qualified for the prize:
 - 1)\$300.00 or more in any event;
 - 2)Total combined prize winnings of \$500.00 or more in any one tournament;
 - 3)Total combined prize winnings of \$1000.00 or more in all tournaments within the last 12-months;
 - b. The amount of the prize.
 - c. The actual score bowled to qualify for the prize.
 - d. The prize position.
 - 2.Failure to comply with these provisions is cause for a forfeiture of entry fees and prize winnings.
- NOTE: * Qualified is defined as the date and time the tournament officially ended (completion of the last squad or round of competition), or payment of prizes, whichever comes first.
- All bowlers regardless of average must comply with the provision of Rule 319d.
- Prize winnings from certified and non-certified tournaments, including those using a modified format of American Tenpins (example 9 pin tap), must be used in the application of this rule.
- 9c. If the bowler's average in tournaments has exceeded the bowler's league average by the amount set forth in the USBC rule 319e, the bowler must submit to the tournament management for the adjustments in accordance with the rerating formula in 319e, see USBC Rulebook for details. Failure to comply with the foregoing can result in disqualification and possible suspension from membership in the United States Bowling Congress.
- 9d." As Per USBC Rule 200" The USBC has established a new designation for leagues competing on lane conditions that fall between Standard and Sport conditions. A new Challenge lane condition designation and conversion chart will be used for average rerating in this tournament when applicable. It is the bowler's responsibility to report averages established on Sport or Challenge lane conditions.
10. The tournament management reserves the right to rerate any entrant prior to bowling for reasons other than those set forth above. If the entrant refuses to be rerated, the entrant's entry fee will be refunded. Entrants have the right to appeal any rerate to USBC within 15 days of the date of bowling or prior to payment of prizes, whichever comes first.
11. The captain of a team, or appointed representative, has the privilege of substituting other bowlers to take the place of those originally entered, who for some reason are unable to attend the tournament as scheduled. The Tournament Director shall have supreme power as to the substitutes that are offered by the captain or representative, and if accepted, each substitute must bowl under their full name and then only at the scheduled time of each event. NOTE: If the captain or representative requests that the tournament management finds a bowler to substitute for an entrant, and the tournament does find a substitute, the substitute WILL bowl in place of the original entrant.
12. A contestant in the state championship tournament shall not be allowed to practice on any tournament lane within one (1) hour of the next event in the tournament OR after the lanes have been dressed.
13. Team captains must report to the tournament office at least 30 minutes prior to bowling and must show the USBC cards for all the team members. Captains must show verification of averages and all bowler averages must be verified prior to bowling. Anyone not complying with this is subject to disqualification. The captain's signature on the front of this application binds all entrants to the rules and regulations of the Id State USBC Tournament.
14. DRESS CODE: it will be each bowler's responsibility to follow the dress code as prescribed by the ID State USBC. The code is as follows: Shirts with collars, long pants or slacks, T-shirts with the sponsor's name, and PBA style shirts will be acceptable. No hats or any type of headgear, no tank tops, halters, ragged shorts or ragged attire. Women may wear culottes, capris, dress shorts, or skirts provided the length is beyond the fingertips when their arms extend down their sides. Failure to comply with this rule could result in a disqualification.
15. OPTIONAL SCRATCH SIDE POT CHALLENGE A bowler may pay an additional fee for each event the bowler competes in at the tournament (singles, doubles, and team). Each scratch series bowled qualifies toward the side pot challenge (paid entries only). Multiple cashing is allowed. The side pot challenge pays 1 in 10 entries. Entries accepted with submitted entry or at check in. Fee breakdown: \$9 to prize fund, \$1 to local association. \$10 entry per event.
